

Pre-School Operational Hours

The half day programme runs from 8.00 am - 11.30 am. The full day programme runs till 3.00 pm.

The Prep class ends at 3.30 pm while the Primary class ends at 4.30 pm.

We seek your kind support in bringing your child to school during the arrival period at 8.00 am so that your child can enjoy a welcoming and calm start to the day.

Vision

EtonHouse is committed to the pursuit of excellence and leadership in educational services and practice.

Mission

- Empowering each individual to be an enthusiastic life-long learner and confident global citizen of the future
- A curriculum focused on pedagogical integrity and research-based best practice
- Acknowledging and responding to each learner's potential
- An authentic partnership with families and the community
- Continual evaluation, improvement and quality assurance across the organization

Extracurricular Activities

Dear EtonHouse Parents,

Our students have made a great **dive** into the new semester! So many **exciting** developments have begun in one short month that I cannot wait to see what else is in store. While most students needed to refresh their memory on how to form poses during yoga, many remembered a few **favourites** such as **Upward Dog** (shown below), **Tree**, and **Feather Dancer**. Our **artists** have gotten right back to work making beautiful **creations**; Primary 1, 2 and 3 have embarked on a **remarkable** project to add a **mural** to our Outdoor Area featuring the **chemistry** apparatuses over which they exhibited immense **interest**. Students in Nursery 2 through Primary 3 have all been working on developing their **rhythmic** skills during Music and Movement, ranging from simple claps in beat with their classmates to complex percussion using household items to create music. What a great bunch of learners!

Smiles,
Ms. Ellie

Above Left, Primary 1, 2 and 3 work as a team to sketch the first half of their mural. Above Right, Prep class pats and claps in sync with each other while singing "Up the Ladder". Below, K1 students practice their kicks in the pool, strengthening those leg muscles!
