Note from Junior School Deputy Principal

Dear Parents and Friends,

This month had two long weekend public holidays and I hope all families got to spend valuable time with one another. We are nearing the end of our school's academic year and we are all very excited for the **HAPPY HEARTS GIVING HANDS CONCERT**. This concert will be a celebration of our student's achievements during the past academic year. At the same time, we will be having an auction of items lovingly handmade by all the classes. Funds raised from this auction will be donated to a charity organization. We are looking forward to all parents and friends on 16 June 2016 at our Level 3 Hall.

The outdoor play and swimming sessions were put on hold in April and May due to the extremely hot weather. We will be resuming our outdoor play and swimming sessions on 2nd June. A reminder to all parents to ensure that your child is sufficiently hydrated at all times.

8th of May was Mother's Day and I hope all parents loved the card made by your child. In addition, our talented Primary 1 and Primary 2 students sang 澎湖湾, a song dedicated to all mothers on Mother's Day. You may view it on our EHS facebook page.

From 8 – 10 June, we will be having the final Parent Drop-In session for this academic year. All parents are strongly encouraged to meet your child's Form Teacher to be kept abreast of your child's progress.

Dates to Remember

- 1 June: International Children's Day
- 8 – 10 June: Final Parent Drop-In
- 16 June: Concert and last day of school

General Reminders

We strongly encourage students to wear their uniforms to school as we believe that uniforms are an important way for students to grasp a sense of community and belonging and help students identify with one another, fostering equality and compassion.

EHIS Outing to Advance Learning Academy

On 25th and 26th May, our Nursery 2, Kindergarten 1, Preparatory and Primary students had an educational outing to Advance Learning Academy at Aeon Mall. They participated in Robotics, Taekwondo, Zumba and the Kids Club. These activities stimulate our student's social, physical, and intellectual abilities, while having fun at the same time.
